

CLAIMS

The invention claimed is:

- 1 1. A system for permitting a voter to make an educated choice
- 2 among candidates, comprising:
- 3 a single database partitioned into:
- 4 a) a first section;
- 5 b) a second section;
- 6 c) a third section;
- 7 d) a fourth section;
- 8 e) a fifth section; and
- 9 f) a sixth section;
- 10 wherein said first section includes how laws are made;
- 11 wherein said second section includes bulletins and reports
- 12 related to making the educated choice;
- 13 wherein said third section includes resumes of the
- 14 candidates;
- 15 wherein said fourth section includes past and present
- 16 performance of the candidates;
- 17 wherein said fifth section includes bills introduced by
- 18 the candidates; and
- 19 wherein said sixth section includes tracks of the bills
- 20 introduced by the candidates that includes who is pushing

21 the bills introduced and who is holding the bills
22 introduced up.

1 2. The system as defined in claim 1, further comprising first
2 means for presenting said first section, said second
3 section, said third section, said fourth section, said
4 fifth section, and said sixth section of said single
5 database to the voter.

1 3. The system as defined in claim 2, wherein said first means
2 includes print.

1 4. The system as defined in claim 2, wherein said first means
2 includes radio.

1 5. The system as defined in claim 2, wherein said first means
2 includes TV.

1 6. The system as defined in claim 2, wherein said first means
2 includes telecommunications.

1 7. The system as defined in claim 2, wherein said first means
2 includes CD-Rom.

1 8. The system as defined in claim 2, wherein said first means
2 includes computer disc.

1 9. The system as defined in claim 2, wherein said first means
2 includes facsimile.

1 10. The system as defined in claim 2, wherein said first means
2 includes e-mail.

1 11. The system as defined in claim 2, wherein said first means
2 includes Internet.

1 12. The system as defined in claim 3, wherein said print
2 includes newspapers, magazines, periodicals, newsletters,
3 and inserts.

1 13. The system as defined in claim 4, wherein said radio
2 includes news stations and public service announcements.

1 14. The system as defined in claim 5, wherein said TV includes
2 PBS and Public Access Channels.

1 15. The system as defined in claim 6, wherein said
2 telecommunications includes national, statewide, and
3 local.

1 16. The system as defined in claim 1, further comprising
2 second means for allowing selection of a specific section
3 of said first section, said second section, said third
4 section, said fourth section, said fifth section, and said
5 sixth section of said single database by the voter so as
6 to form a selected section of said single database.

1 17. The system as defined in claim 16, further comprising
2 third means for allowing viewing of said selected section
3 of said single database by the voter.
